

CHICOPEE®

Foodservice

Complete range of wiping solutions to
keep your business clean and hygienic

Single Day Towels

Economical yet durable towels

CHIX® Wet Wipes & All Day Towels

- Easy to rinse and dries quickly
- Can be used either wet or dry
- Ideal for repeated use throughout the day to wipe-up spills, clean tables, counters, and appliances
- More cost effective and convenient than paper towels

CHIX® 3000 Compostable Towels

- Light weight fabric and dries quickly
- Small apertures help pick up particles
- Cost effective, healthier environment
- Compostable in professionally managed facilities¹

1. Meets DIN EN 13432 2000-12 Standards as tested by an external laboratory

Multi-Day Towels

Multi-day use towels with excellent absorption and dirt pick-up

CHIX® Foodservice Towel

- Apertures for improved scrubability
- Available with or without Microban® antimicrobial product protection to keep towels fresher longer
- Available in white, red, blue, and yellow for zone cleaning

CHIX® Microfiber Light Cloths

- Superior cleaning performance
- Unique structure of microfiber helps ensure dirt and bacteria are trapped in the cloth and not released to next surface
- Low linting and streak-free performance
- Perfect for removing spots on glasses and silverware

Sanitizer Compatible Towels

Deliver the full potency of sanitizer to surfaces

CHIX® ULTRA™

- Tri-compatible—quat, chlorine, and hydrogen peroxide
- Durable and abrasion resistant for multi-day use
- Soft, cloth-like feel
- Available in white and blue for zone cleaning

CHIX® Pro-Quat® Towel

- Compatible with quat
- Product includes Microban® antimicrobial protection to keep towels fresher longer
- Durable and abrasion resistant for multi-day use
- Available in white, blue, green, and red for zone cleaning

CHIX® Sanitizer Compatible Towel

- Tri-compatible—quat, chlorine, and hydrogen peroxide
- Durable and abrasion resistant for multi-day use
- Engineered to deliver required sanitizer ppm to surfaces
- Available in white, red, blue, yellow, and green for zone cleaning

S.U.D.S.® Sanitizer Compatible Towels

- Single Use Dispensing System
- Engineered to deliver required levels of quaternary solutions
- Requires less sanitizer than open bucket systems
- Closed system may help reduce spills and fall hazards

QUIX® Plus Pretreated Towels

- Add one towel to one gallon of water to create the solution
- No complicated instructions and convenient to use
- Can help to minimize incorrect solution mixtures
- Creates EPA registered 200 ppm quaternary sanitizing solution²

2. EPA Reg. No. 62401-4-69591

Chicopee continues to uphold its legacy of innovation by bringing you a suite of product solutions for your specific foodservice needs. We are committed to supporting your business with products that improve employee and customer health by helping to reduce the risk of food borne illness outbreaks and Community Acquired Infections (CAI's), while improving productivity in a sustainable manner.
