Chicopee® True Confidence™

For more than a century, the name Chicopee has been synonymous with unrivaled expertise in wiping applications and pioneering technologies. Today, as a brand of AVINTIV, Chicopee continues to uphold its legacy of innovation by bringing you a suite of product solutions for your specific foodservice operational needs. With innovative products engineered for cleaning and sanitizing, Chicopee's foodservice towels help support your needs for back-of-house, front-of-house, and restrooms. Whether you are looking for a more effective option to cotton towels or a more efficient option than paper towels, Chicopee has what you need.

# CHICOPEE® S.U.D.S.®

Confident Cleaning. Every Wipe. Every Time.

This Single Use Dispensing System supports front-of-house, back-of-house, and restroom protocols. S.U.D.S.® allows you to create an impregnated wipe to exactly fit your needs. With a choice of three unique wipes available, you simply add your own chemical to the wiper roll in the dispenser to create a cost effective, high performing saturated wipe.

## Superior Sanitation

- **Effective:** S.U.D.S.® towels are engineered to maintain your Quat (quaternary sanitizer) or chlorine concentration and effectively deliver to the surface
- **Efficient:** S.U.D.S.® towels are constructed to yield superior liquid absorption and debris pickup
- **Easy to Implement:** You can confidently switch to S.U.D.S.® and keep your cleaning protocols in place

## Lower Cost-Per-Use

- **Economical:** S.U.D.S.® requires less sanitizer than open bucket systems. Eliminates the need to constantly change your sanitizing solution
- **Cost-Effective:** Clean up to 660 tables with just 1 roll of wipes and 2 quarts of your Quat or chlorine solution

## Increases Safety and Customer Satisfaction

- **Proven Results:** 9 out of 10 stores surveyed report greater customer satisfaction
- **Easy to Use:** S.U.D.S.® simple design and color-coded lids support zone cleaning and help prevent dangerous mistakes
- **Safe and Secure:** Closed system reduces slip and fall hazards

## 4 simple steps to use S.U.D.S.® with YOUR Solution

1 Release tab and remove lid

2 Insert dry roll of towels

3 Pour in 1 1/2 - 2 quarts solution over the towels

4 Thread the end of the towel from the center of the roll through the lid opening and secure lid
