# CHIX® Standard Foodservice Towels

Chicopee's Chix® Standard Foodservice Towels are ideal for foodservice cleaning applications in high volume areas like kitchens, delis, food prep areas, tables, counters, and more. Durable enough to replace linen towels, Chix® Foodservice Towels help you pick up liquids faster.

## Color-Coded Cleaning System

Chix® Standard Foodservice Towels give you the convenience of color-coded cleaning to help reduce the risk of cross contamination. Color coding allows you to designate one type of towel type for each area of your restaurant, which avoids the potential hazard of cleaning various surfaces (restroom vs. dining room) with the same towel.
